FIRST MEETING OF THE YEAR

The first General Meeting of this 1984-85 season will take place on Monday night, October 1st, at Granlibakken. That's just south of Tahoe City on Highway 89 South; turn in at the sign and continue on to the end, observing carefully the "One Way" sign when you enter Granlibakken. We usually meet at the Ski Hut, which is on the left. Meeting time is 7:30.

The scheduled program to follow this meeting is kind of loose for a change: all members are invited to bring a half-dozen or so of their favorite slides from last winter, to kind of get everybody into the spirit. We'll load them into a carousel and have a few laughs. Be sure to mark your slides with your name for ease of retrieval.

Remember, general meetings are held on the first Monday of every month during the season. It's your chance to get involved in TNSAR activities, or just keep abreast of what's going on and meet some interesting people. New members or the just plain curious are sincerely welcomed.

OPEN HOUSE TO KICK OFF SEASON

Our first annual Fall Open House looks like it's going to be a grand old party. Saturday, October 13th, on the Commons Beach in Tahoe City, there will be a convocation of Search & Rescue personnel like you've never seen.

Some of the groups confirmed as of press time are:

United States Coast Guard
TNSAR Thiokols
Placer County Comm Team
WOOF
American Red Cross
Civil Air Patrol
Snowmobile Team
Dive Team
Tahoe City Fire Dept.
the CARE Flight/Reno
Washoe County HASTY Team

...plus up to 12 other teams who haven't positively confirmed yet. All these folks will be doing various static and active displays which should be real exciting as well as informative.

Of course, Tahoe Nordic Search & Rescue Team, Inc. will be there too - our Equipment and Transportation committees will be there in force, along with the Food Committee who will be selling hot dogs and beverages (cheap!), and the Education Committee, among others.

If you're wondering how you can help out, attend the October 1st General Meeting at Granlibakken for complete details. We'd like to get as many of the members involved as possible, and that means you!

KEEP US UP TO DATE, PLEASE

It is VERY important, especially if you are on the call-out list for searches, that the Secretary be told of changes in address or phone number as soon as possible, so we can update our computerized lists. This goes for any changes in your work phone or alternate phone, too.

Send a card with your name and the changes to TNSAR Secretary, PO Box 7703, Tahoe City, CA 95730-7703.

IT'S YOUR NEWSLETTER, TOO

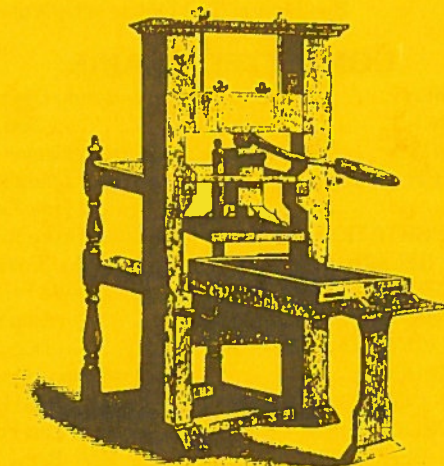

Contributions of articles (whether yours or someone else's) that you think might be of interest to the Search & Rescue community are welcomed. If they're too long we reserve the right to edit them. Also photos, cartoons, and announcements of relevant events are much appreciated. Send to: PO Box 7703, Tahoe City. We'll take good care of any artwork and return it safe & sound.

THANKS

To everyone who makes this newsletter possible, including Leo Poppoff, Incline Orthopedic and Sports Medicine Clinic, Pre-Cut Timber Homes, Tahoe Crafts Printing and Copy Centers, Smith-Corona, and Jim, Kari and Bethe down at the Carnelian Bay Post Office.

Also Linda Russell, Julie Maurer, Mike Wolterbeek, Doug Read, Allison Anderson, Rick Foster, Maxine Olsen, Jeff Menzer, Scoop Remenih, Ken McMaster, Chris Burnett, and many others.

All these folks contributed time, advice, writing, artwork, advertising, printing, or other expertise to last year's SNOW JOB. May we add many more of you to the list this year!
