TRAININGS TRAININGS TRAININGS

The two trainings in February were reported as very successful.

Though the Grouse Ridge Bar-b-q was postponed due to lack of enough snow in the area, 10 members started out on an alternate ski up Coldstream Canyon with the goal of climbing Billy's Peak. Seven skiers reached the peak in a challenging and rewarding effort, then skied out via Deep Creek. JoJo Toepfner rewarded the group at the end of the trail with chips & beer, which was greatly appreciated.

The sled training which was held at Sugarbowl went very smoothly. Eight team members became very proficient at handing the team sleds down steep and moguled slopes. It is felt that all skiing team members would benefit from this experience, and was stated that the women did as well as the men. New runners were placed on the sleds by R.O. and they worked great.

Trainings in March are scheduled for Thursday, the 14th and Sunday, the 24th (moved up one week due to Easter). Specifics have not been worked out as of yet. Call Carl with your ideas for details as the dates approach, 587-4545.

NEWS TEAM NEWS TEAM NEWS

Though it snowed too late to hold **The Great Ski Race**, the recent snows have been a most welcome sight. It was decided at the last general meeting that the race could not be pulled off under the conditions existing 6 days prior to the scheduled event. There was much discussion and the decision was not an easy one. Donors are being contacted regarding their contributions. If you have any questions, you can contact Skip Reedy at 583-0484.

The **SPRING FLING DANCE** is on tap for **Saturday, March 23rd at 8 pm**. The event will be held at **Plaza Bar** in Squaw Valley. JoJo Toepfner is the dance organizer and is seeking team member help with various aspects of the event. All team members are requested to bring an hors d'oeuvre to the dance. Members may also sign up to sell tickets prior to the dance, decorate Plaza Bar from 7-8 pm, take tickets at the door or solicit door prizes from local merchants. Contact JoJo at 587-4545 to volunteer your assistance. Get your friends and come out to party and join the fun. Music will be by "Four Play".

A **cover photo** was chosen for the newly revised **Winter Awareness Brochure** at the most recent board meeting. The picture is from team member John Rosetto's slide collection and was chosen after searching through many, many slides. The brochure should be ready for final proofing soon and then sent off to the printer.
